

## COSTUME LOGISTICS VOLUNTEER

Kinetika Bloco started in 2000 and our mission has been to get young people from South London engaged in long-term creative activity advancing their education, skills, and capacity. Through music, dance, design and leadership activities, we draw our influences from the Caribbean, Brazil, Africa and New Orleans. Our regular activities include workshops in Dance, Steel Pans, Samba Drumming and Brass and Woodwind.

We are a costumed band and every year we design new costumes that are inspired by our annual theme. We have around 170 people in the final show and need to make sure that everyone has a costume that works for them. So, we are looking for a volunteer to help with the costume logistics, organising and assigning costumes and making sure we have stock of everything we need.
